

Bahá'í Speakers Series

Justice, Values & Knowledge:

**Environmental
Governance can be
Scientific AND Spiritual**

Speaker: Dr Lance Robinson

Tuesday Feb 1

12:30pm - 2pm

McKinnon Building, Rm 155

Dr Lance Robinson is a post-Doctoral Fellow in Protected Areas and Poverty Reduction at the University of Victoria. Dr. Robinson has worked in community development and natural resource management in Asia, Africa and Latin America. He has been a member of the Baha'i community for 18 years.

Everyone is welcome!
